Cafés for Coffee Breaks

Dear Delegates and Chairs,

INTERMEDIATE AND ADVANCED:

*We hope you have enjoyed your first afternoon of debate. Tomorrow's coffee breaks will be at 11:00-11:30 (morning) and 16:00-16:45 (afternoon). These are a chance for you meet with the other delegates representing your country and discuss your policy. As you have now been in contact with each other on slack and met each other in person, **delegates are responsible for organise the location of their own country delegations.***

You need to have organised your morning location by 10:15 and your afternoon location by 14:15.

IF YOU ARE THE ONLY DELEGATE REPRESENTING YOUR COUNTRY consider which countries you wish to contract multilateral/ bilateral deals with and message the concerned countries on slack by searching their country name on the workspace to then organise logistics for the coffee break.

HERE IS A LIST OF SUGGESTED COFFEE LOCATIONS!

Best,

Directorial Board Team

OxIMUN 2019 has secured several restaurant and cafe discounts for delegates to enjoy, including at cafés in and around the city centre. These are great recommendations for venues for your interconnectivity meetings during coffee breaks. We have also included several additional café recommendations in the city centre that do not have OxIMUN discounts. OxIMUN has no form of affiliation with these cafés. Directions to all cafés are accessible via any maps software, such as Google Maps.
